MEMORANDUM FOR THE RECORD

SUBJECT : [REDACTED] Reduction 25X1A

25X1A

25X1A

1. A meeting was held this morning with [REDACTED]  
[REDACTED] to discuss the [REDACTED]  
section problem.

25X1A

2. The complexity of the task indicates that some definition of the project needs to be made. This definition should state the problem, outline the proposed approaches to these problems which would include the working arrangements involving people and organizations, and the hardware aspects of the approaches such as aircraft availability, electronic facilities and equipment, etc. The project definition should also discuss the results which might be anticipated. For example, pre-established go, no-go goals might be desirable, interim reports, etc.

25X1A

3. [REDACTED] plans to have an outline drafted by  
18 March for consideration. 25X1A
